

## SIAOU-SZE LIEN

*Siaou-Sze Lien is one of Singapore's most widely-recognized business leaders— listed five times in Fortune Magazine's "50 Most Powerful Women outside US." Currently pursuing her PhD after a 28-year-plus career at HP, Siaou-Sze is known for her skill at creating a winning business environment and culture— then consistently achieving financial results. She is a vocal advocate for the principles of continuous improvement of people, processes, and technologies.*

### ◆ Executive Coaching

She joined Mobley Group Pacific Limited in 2006 as a Senior Executive Coach. Well known for her competitiveness, business acumen and boundless energy, she works with senior country and regional level executives and leadership teams throughout the Asia Pacific region to enhance their effectiveness. She is based in both Shanghai and Singapore.

### **Professional Experience**      **Senior Executive Coach, Mobley Group Pacific**

2006 – present

Works with senior country and regional level executives and leadership teams throughout the Asia Pacific region to enhance their effectiveness.

### **Senior Vice President, HP Services Asia-Pacific**

Starting as a systems engineer in Singapore, Siaou-Sze's career evolved into a series of management positions in Singapore, South East Asia, and the Asia-Pacific region. Along the way, she became the first woman in the region to attain the title of Vice President, and later was the first to be named Senior Vice President. She served as Managing Director of HP Asia-Pacific prior to the acquisition of Compaq, led HP's Technology Solutions Group, and most recently led HP Services for Asia-Pacific and Japan with a staff of more than 8,000 people.
